

Name: Cheung Wing Yu Gabbie

Class: P.4

What is your favourite gift? Write about it in not less than 50 words.

My Favourite Gift

My favourite gift is a digital watch. My dad gave it to me last

Sunday. The watch is blue and beautiful. I usually watch the time.

It was because I got ninety-six marks in my English exam. My

parents were cheerful so my dad bought a pretty watch for me in a

massive department store. I felt excited.

I really like my gorgeous watch very much and I am still overjoyed

and jolly.
