Eating out on my last birthday

Name: Lau Tsz Ching Minnie

Class: P.4

You ate out to celebrate your last birthday. Write about it in not less than 50 words.

On my last birthday, I had dinner with my mother, my father and my sister. We went to a five-star restaurant in Tsim Sha Tsui.

I ate steamed pork dumplings, spaghetti with pork chop, macaroni with cheese sauce, donuts, croissants, French toast, chicken rice and ice cream in that restaurant. They were tasty and yummy. We ordered the food because they were very mouth-watering and cheap.

Everyone was happy.
