(Danny's dream)

Complete the story in not less than **60 words**.

### **Danny's dream**

One day Danny found a photo album. The photo album was about Great Grandma. Danny fell asleep when he was looking at it.

In his dream, he saw Great Grandma. A man in the black suit caught her. Danny followed him into a building. He was a robber. The building was the robber's base. He knew Great Grandma was rich. He put her into a cage and robbed her money. Danny was terrified.

Danny wanted to save Great Grandma so he went to find some weapons. Danny took a knife and two guns to scare the robber. He made a trap to catch the robber. Danny called the police. Five minutes later, the police came and caught the robber.

Suddenly, Danny heard his mother's voice. He woke up and found that it was only a dream.
