(One Day Trip)

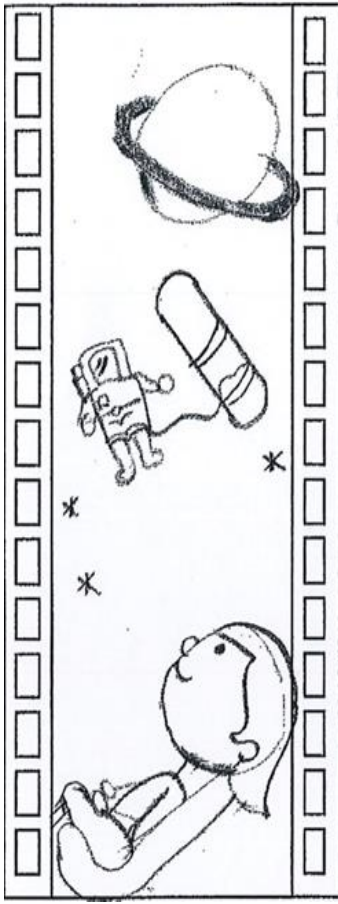

Many tourists visit Hong Kong every day. Design a leaflet of a day trip for the tourists to show them what famous places they can go. You have to draw and write about two places of the trip in not less than 60 words.

One Day Trip

Ocean Park

Enjoy your trip in Ocean Park! In the morning,
we go to Ocean Park in Aberdeen. We go there by
MTR. You can see the pandas, sharks, fish and
dolphins there. You also can play the games and ride
on the cable car there. You must go there because
everyone will have fun.

The Space Museum

Enjoy your trip in the Space Museum! In the evening, we go to the Space Museum in Tsim Sha Tsui. We go there by bus. You can watch a sky show there. You must go there because it is informative and it is the one of a kind in Hong Kong.
