Write 4 sentences for each verse.

My best friend

My best friend Doris is very free.

She likes to plant trees.

She always loses things so she is very worried.

However she likes to do things in a hurry.

She is very afraid of spiders.

So she wants to be braver.

She always tidies her things neatly.

However she can't find her things easily.

She likes to wear her favourite scarf.

She can work very hard

She like the colour blue.

She always uses her glue.
