You are Dave. You are in the classroom. What happens in the end? Look at the pictures and finish the story in not less than 40 words.

Today is Classroom Cleaning Day. We help to clean the classroom. I clean the desks. Jane cleans the blackboard with a towel and Lily sweeps the floor with a broom. We feel overjoyed. Suddenly, there is a bee flying around. We are worried. Lily drops the broom and Jane cries. In the end, we tell the teacher and the teacher opens the window and the bee flies away.
