

UNLUCKY BEN

Written by Yip Nga Yin Bella (Primary 5)

Ben went to school by bus yesterday. The bus was crowded. An old lady came but nobody saw her. However, Ben gave his seat to the old lady. He felt glad that he helped someone.

When the bus driver was driving the bus, he saw two cats playing. So he stopped the bus immediately. It was because he didn't want to hurt the animals.

Suddenly, Ben fell over. He shouted loudly, 'Oh no! My leg got hurt!' Everyone was shocked and worried about Ben.

At last, Ben called the ambulance to take him to the hospital. The doctor told Ben to rest in bed for a week. Ben felt upset that he couldn't play football with his dad.
