

A Day Trip IN HONG KONG

H. K. Space Museum

In the morning, we will go to the Space Museum. It is in Tsim Sha Tsui. We will go there by bus. The Space Museum is a marvellous museum. We can learn about space there. We can look at the space displays in the exhibition halls. The displays are awesome. Also, we can watch an interesting sky show. We can learn about stars. We will stay there until afternoon.

Then we will go to the Science Museum in the afternoon. It is in Tsim Sha Tsui too. We will go there on foot. The Science Museum is a special museum. We can look at the science displays. We can also look at the dinosaur displays there. They are unique. We can play science games and watch the scientist's demonstration of experiments. We will stay until evening. Then we will have dinner in K11 Shopping Centre.

I hope you can take part in my tour and enjoy the trip in Tsim Sha Tsui!
