

A Terrifying Dream

I had a strange dream last night. In my dream, I was shocked as I saw a superman dress on my bed when I woke up.

Then, I tried it on quickly. I looked and checked in the mirror. I was overjoyed and thought I was so cool.

After that, I went out of my house and flew in the sky. I saw some birds and clouds there. I was over the moon.

Suddenly, there was a thunderstorm. I was very scared. I nearly got hurt. Then I fell down on the ground.

At last, my mum woke me up and said, 'It's time to go to school!' I found that it was a dream.
