## ***A STRANGE DREAM***

**I had a strange dream last night. In my dream, I found a superman dress on my bed. I was confused - who gave me a gigantic superman dress? Then I wore the superman dress swiftly and stood in front of the mirror. I looked and checked in the mirror. I felt empowered. I wanted to fly in the sky and meet my pen pal Sam.**

**Ten minutes later, I flew in the sky as free as a bird. However, I saw hundreds of UFOs going as fast as a bullet to me. So I used my super power to split myself into thousands of shadows. I was escaping while the UFOs were fighting with my shadows. I flew as quick as a flash to Sam's home. Finally, I was proud of myself that I could use my super power.**
